Permit No.: 83020011

Dear Mr. Patterson:

Enclosed please find Illinois EPA form "Operating Program for Fugitive Particulate Control" completed for our 10823 South Langley Avenue, Chicago facility. Because of the lack of storage piles and unpaved roads, it is not certain that Rule 203(f)(3)(F) would apply to this facility. I filled it out "just in case."

If you need further information in order to complete processing of our Impad System permit application, please do not hesitate to contact me.

Sincerely,
